About Us

Angelico Pizzeria was founded in 2003 with our first store opening in Tenleytown right on Wisconsin Avenue. Since then, we have grown to be one of the DC area's best pizza restaurants, with stores in DC, Arlington, Fairfax & Odenton. The foundation of our business has always stayed the same: we strive to serve the finest food at a fair price. You won't find much in our freezers & that's because we hand make our dough every day & use the best ingredients available. We are proud to be part of your neighborhood & do what we can to give back to the community through events & fundraising. Thanks for eating with us & please remember we don't just do delivery, we also do catering & parties... plus, you can save time by ordering online!
